14. All documents referred to in the accompanying Notice and the explanatory Statement shall be open for inspection at the Registered Office of the company during normal business hours (10.00 am to 5.00 pm) on all working days except Saturdays and Sundays up to and including the date of the general meeting of the company.
15. No dividend has been proposed and recommended by the Board of Directors for the year ended 31st March, 2022.
16. As per Regulation 40 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") as amended, securities of listed companies can be transferred only in dematerialisation form with effect from April 1, 2019, except in case of request received for transmission or transposition of securities. In view of this, members holding shares in physical form are requested to consider converting their holdings into dematerialisation form. Members can contact the company/company's RTA for assistance in this regard

17. VOTING THROUGH ELECTRONIC MEANS

- I.** In compliance with provisions of Section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management and Administration) Rules, 2014 as amended by the Companies (Management and Administration) Amendment Rules, 2015 and Regulation 44 of the Securities and Exchange Board of India (Listing Obligations and Disclosures Requirements) Regulations, 2015 ("Listing Regulations"), in terms of SEBI vide circular no. SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated 9 December 2020, the Company is pleased to provide members facility to exercise their right to vote on resolutions proposed to be considered at the Annual General Meeting (AGM) by electronic means and the business may be transacted through e-Voting Services. The facility of casting the votes by the members using an electronic voting system from a place other than venue of the AGM ("remote e-voting") will be provided by Central Depository Services (India) Limited (CDSL).
- II.** The facility for voting through ballot paper shall be made available at the AGM and the members attending the meeting who have not cast their vote by remote e-voting shall be able to exercise their right at the meeting through ballot paper. The members who have cast their vote by remote e-voting prior to the AGM may also attend the AGM but shall not be entitled to cast their vote again.
- III.** The process and manner for remote e-voting are as under:
- (i) The remote e-voting period commences on 27.09.2022 – 09.00 AM (Tuesday) and ends on 29.09.2022 – 05.00 PM (Thursday) During this period members of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of -23.09.2022 (Friday), may cast their vote by remote e-voting. A person, whose name is recorded in the Register of Members or in the Register of Beneficial owners (as at the end of the business hours) maintained by the depositories as on the cut-off date shall only be entitled to avail the facility of remote e-voting and voting during the AGM. The remote e-voting module shall be disabled by CDSL for voting thereafter. Once the vote on a resolution is cast by the member, the member shall not be allowed to change it subsequently.

Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (ii) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

- iii) The Incentive pay shall be decided based on the balance between performance of the Company and performance of the Key Managerial Personnel and Senior Management, to be decided annually or at such intervals as may be considered appropriate.

9. IMPLEMENTATION

- a) The Committee may issue guidelines, procedures, formats, reporting mechanism and manuals in supplement and for better implementation of this policy as considered appropriate.
- b) The Committee may Delegate any of its powers to one or more of its members.

10. REMUNERATION OF OTHER EMPLOYEES

Apart from Directors, KMPs and Senior Management, the remuneration for rest of the employees is determined on the basis of the role and position of the individual employee, including professional experience, responsibility, job complexity and local market conditions.

The remuneration of other employees mainly comprises basic salary and in addition to basic salary, they are also provided allowances, perquisites etc. as per the Company's policy and statutory requirements, where applicable.

AMENDMENT

The Board of Directors on its own and/or as per the recommendations of Nomination and Remuneration Committee can amend this Policy, as and when it deemed fit.

In case of any amendment(s), clarification(s), circular(s) etc. issued by the relevant authorities, not being consistent with the provisions laid down under this policy, then such amendment(s), clarification(s), circular(s) etc. shall prevail upon the provisions hereunder and this policy shall stand amended accordingly from the effective date as laid down under such amendment(s), clarification(s), circular(s) etc.

Annexure – IV**MANAGEMENT DISCUSSION AND ANALYSIS**

The management presents its analysis report covering performance and outlook of the Company. The report has been prepared in compliance with corporate governance requirements as laid down in the listing agreements. The management accepts responsibility for the integrity and objectivity of the financial statements. However, investors and readers are cautioned that this discussion contains certain forward looking statements that involve risk and uncertainties.

The performance of the Company showed decreasing trend as compared to the previous years. The is trying and searching for better growth avenues of sales revenues and net profits. Your Company planned and implemented expansion in automation of its various business processes in operational levels. All this will benefit the Company by reducing human intervention in operational processes, accurate product analysis for speedy and efficient results.

□ **INDUSTRY STRUCTURE AND DEVELOPMENT**

During the year under review, Government of India increase the reservation norms from 90% to 100% for packing food grains and retained the norms at 20% in respect of packing of Sugar under the Jute Packaging Materials (Compulsory use in packing commodities) Act, 1987 (JPMA). This decision is in the larger interest of the workforce engaged in the Jute Industry and will give a fillip towards the development of the Jute Industry.

Due to a short crop in 2021-22 season, the availability of raw jute during the year under review was under pressure, leading to higher average cost of raw jute as compared to previous year.

Reward in the form of duty free scrips of 7% of realised FOB value in free foreign currency under Merchandise Exports from India Scheme (MEIS) is providing much needed assistance in promoting exports of Jute Goods from India.

In order to boost and sustain demand for Jute Goods, diversification of Jute Sector, improving the quality and productivity of raw jute, continuous research and development are essential.

□ **OPPORTUNITIES AND THREATS/ RISKS & CONCERNS**

□ **Opportunities**

In view of rising concern for environment and global warming, jute products are getting preference over other substitutes. Demand for diversified jute goods is increasing due to its functional value and increasing awareness for use of biodegradable products.

There may be opportunities for export of jute products at attractive prices, which in turn may result in an increase in demand for raw jute.

□ **Risks & Concerns / Threats**

Due to low production, the price of raw jute generally prevails over the MSP determined by the Government as a result it is becoming difficult for your Corporation to procure raw jute under MSP.

It is also risky to procure raw jute at ruling price for commercial operation.

There are various threats to the Company such as the market Competitors, which indulge in cost cutting of the product, which forces the Company to sell its product as low cost. This also led to loss to the Company. On the other hand, Company's raw material is based on agro product which is affected by calamities, which deteriorate the quality of the product, which is the major threat to the Company.

□ **SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE**

The performance of the Company during the year is as under:-

PARTICULAR	(Rs. /Lakhs)	
	2021-22	2020-21
PBDAI	59.48	69.07
PAD	59.48	69.07
PAT	41.86	36.60

□ **OUTLOOK**

Jute crop for the season 2022-23 is expected to be better in the light of favorable weather conditions and initial encouraging reports of higher sowing. Accordingly, availability of raw jute is expected to be higher. Consequently, the prices of raw jute are expected to remain stable or may come down from present level.

There has been regular flow of Government orders keeping good domestic demand. On export front, we are exploring to increase our customer base in Hessian and consumer products. Considering overall market scenario, demand of jute goods will remain buoyant.

Looking to the overall market conditions, the outlook for the current year appears to be promising.

□ **COVID IMPACT**

The impact of global health pandemic COVID-19 is a new risk factor which has been added to the list. However, the effect of the pandemic can be seen globally and almost every industry has been greatly affected by this. The organizations are working very hard to make their businesses stable at this tough time. Along with this, the Competition among the companies worldwide, lockdown, lockouts etc. are such common constant risk factors which every company has to consider while working for the growth of the Company

□ **INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY**

The Company has adequate internal control system to safeguard the company's assets from any loss or damage, to control cost, prevent revenue loss and required financial and accounting controls and to effectively implement the applicable accounting standards.

□ **MATERIAL DEVELOPMENT IN HUMAN RESOURCES/ INDUSTRIAL RELATIONSFRONT**

Your Company maintained good industrial relation during the year under review. We believe that the people are the most valuable assets of the company as they contribute significantly to the achievement of business objectives. During the year, various HR measure were taken to make the HR policies up to the required business needs. The Company has strong dedicated term of employees and they have shown commitments, competence and dedication in all area of business.

□ **DETAILS OF SEGNIFICANT CHANGES IN KEY FINANCIAL RATIO**

During the year under review, the Company has earned a profit before Interest, Depreciation & Tax of Rs. 59.48 lacs as compared to profit 69.07 lacs in previous year. The net profit for the year under review has been Rs. 36.60 lacs as compared to the previous year net profit of Rs. 41.86 lacs. Your Directors are continuously looking for avenues for future growth of the Company in Jute Industry.

□ **CAUTIONARY STATEMENT**

Statement in the Management Discussion and analysis Report describing the Company's objectives, estimates etc. may be "forward looking statement" within the applicable laws and regulations. Actual results may vary from these expressed or implied; several factors that may affect Company's operations include Raw Material prices, Government policies and several other factors. The Company takes no responsibility for any consequences of the decision made, based on such statements and holds no obligation to update these infuture.

Annexure – V**Declaration with regards to Non-Applicability of Regulation 27 of SEBI (LODR) Regulations, 2015**

Pursuant to the provisions of Regulation 15 (2) of Chapter IV of the Listing Regulations, Regulation 27 shall not apply, in respect of the following classes of companies:

- I. The listed entity having paid up equity share capital not exceeding rupees ten crore and net worth not exceeding rupees twenty five crore, as on the last day of the previous financial year; and
- II. Listed entity which has listed its specified securities on the SME exchange.

In this regard, we hereby confirm you that, our Company falls into the ambit of the above mentioned limits, compliance with the provisions of Regulation 27 and para C, D, E of Schedule V of the Listing Regulations is not mandatory for the Company for the time being and consequently, the Compliance Report on Corporate Governance as stipulated under Schedule V of the Regulations does not form part of this Annual Report for the Financial Year 2021-22.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF BEEKAY NIRYAT LIMITED

Report on the Audit of the Standalone Financial Statements

Qualified Opinion

We have audited the standalone financial statements of **Beekay Niryat Limited ("the Company")**, which comprise the Balance Sheet as at 31st March 2022, the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind-AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2022, and its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

1. *Non-Current Investments includes:*

Shares held, quoted and in physical form having market worth Rs. 0.41 lacs are not held in the name of the company. This is in contravention to section 187 of the Companies Act, 2013.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Key Audit Matters

Key Audit Matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Except for the matters described in the Basis for Qualified Opinion section, we have determined that there are no key audit matters to be communicated in our report.

Information Other than the Standalone Financial Statements and Auditor's report thereon

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditors' report thereon. The annual report is expected to be made available to us after the date of this auditors' report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:
- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. Except for the effects of the matters described in the basis for qualified opinion paragraph above, in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - d. Except for the effects of the matters described in the basis for qualified opinion paragraph above, in our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of the written representations received from the directors as on 31st March 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2022 from being appointed as a director in terms of Section 164(2) of the Act.
 - f. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses a modified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
 - g. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has no pending litigations that would impact its financial position.
 - ii. The Company did not have any long term contract including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. The company has not declared or paid any dividend during the FY 2021-22. Hence, the provisions of section 123 of Companies Act, 2013 does not apply.

We have audited the internal financial controls over financial reporting of M/s. Beekay Niryat Limited (“the Company”) as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on [for example, “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.] These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on _ [for example, "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India"].

Notes to the Standalone Financial Statement for the year ended 31st March, 2022

Note 1 COMPANY INFORMATION

Beekay Niryat Ltd is a public limited company incorporated on 6th June, 1975 having its registered office 111, Signature Tower, DC-2 Lalkothi Scheme, Tonk Road, Jaipur Rajasthan 302015 India. The Company corporate identification No. is L67120RJ1975PLC045573. The Company engaged in export of lather, jute, handicraft and trading of commodities.

Note 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES :

a. BASIS OF PREPARATION

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under section 133 of the Companies Act 2013 (the Act and other relevant provisions of the Act). The financial statements have been prepared on accrual basis under the historical cost convention. Further, the company has also reclassified the previous year figures in accordance with the requirements applicable for the current year.

b. GENERAL

The company follows the accrual method of accounting. The financial statements have been prepared in accordance with the historical cost convention and in accordance with. Expenses are accounted on their accrual with necessary provision for all known liabilities and losses.

USE OF ESTIMATES

The preparation of financial statements requires estimates and assumptions to be made that affect the required amount of assets and liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Difference between the actual amounts and the estimates are recognised in the period in which the results are known/materialised.

d. PROPERTY, PLANT & EQUIPMENT

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at April 1, 2015, measured as per the previous GAAP, and use that carrying value as the deemed cost of such property plant and equipment.

Property, plant & equipment and capital work in progress are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met, directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price. Such cost includes the cost of replacing part of the plant and equipment.

The present value of the expected cost for decommissioning of an asset after its use is included in the cost of the respective asset, if the recognition criteria for a provision are met.

The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset.

An item of Property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit or loss when the asset is derecognised.

The residual values, useful lives and methods of depreciation of Property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

e. DEPRECIATION

Depreciation is provided to the extent of depreciable amount on written Down Value (WDV) at the rates and method prescribed in the Schedule II of the Companies Act, 2013 and on pro rata basis for the additions / deletions during the year.

f. INVENTORIES

Inventories are valued at lower of cost or Net Realizable Value.

g. REVENUE RECOGNITION

Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

h. CURRENT VS NON-CURRENT CLASSIFICATION

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is treated as current when it is:

- ▶ Expected to be realised or intended to be sold or consumed in normal operating cycle
- ▶ Held primarily for the purpose of trading
- ▶ Expected to be realised within twelve months after the reporting period, or
- ▶ Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current.

A liability is current when:

- ▶ Expected to be settled in normal operating cycle
- ▶ Held primarily for the purpose of trading
- ▶ Due to be settled within twelve months after the reporting period, or
- ▶ There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Based on the nature of products and time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has identified twelve months as its operating cycle.

i. PROVISIONS, CONTINGENT LIABILITIES & CONTINGENT ASSETS

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are disclosed when the company has possible obligation or a present obligation and it is probable that a cash flow will not be required to settle the obligation. Contingent Assets are neither recognised nor disclosed in the financial statements.

j. INVESTMENTS

The Company has elected to recognize changes in Investments at Fair Value through Other Comprehensive Income (FVTOCI) as per IND AS 113 read with IND AS 109 and IND AS 32.

The profit and loss arrived at on fair valuation has been accounted for Other Comprehensive Income.

For the purpose of Fair Value, the Quoted Equity Shares have been taken at the prevailing Market Price of the Stock Exchange at the closing hours as on 31st March 2020.

For the purposes of Fair Value of Unquoted Equity Shares, the fair value have been computed as per the Audited Financials of 31st March 2020 as the financials for the year ended 31st March 2021 were not available.

EMPLOYEE BENEFITS**i. Gratuity:**

The liability for gratuity has not been provided as per the provisions of Payment of Gratuity Act, 1972 since no employee of the company is eligible for such benefits during the year.

ii. Provident Fund:

The provisions of the Employees Provident Fund are not applicable to the company since the number of employees employed during the year were less than the minimum prescribed for the benefits.

iii. Leave Salary:

In respect of Leave Salary, the same is accounted as and when the liability arises in accordance with the provision of law governing the establishment.

I. IMPAIRMENT OF ASSETS

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal or its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. Impairment losses, are recognised in the statement of profit and loss. Intangible assets with indefinite useful lives are tested for impairment annually, as appropriate and when circumstances indicate that the carrying value may be impaired.

m. BORROWING COST

Borrowing cost attributable to the acquisition or construction of qualifying assets are capitalized as a part of such assets. All other borrowing costs are charged off to revenue.

A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale.

n. DEFERRED REVENUE EXPENDITURE

Miscellaneous Expenditure are written off uniformly over a period of 5 years.

o. INCOME TAX**Current income tax**

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate. Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Deferred tax

Deferred tax is provided on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

We have audited the accompanying consolidated financial statements of **Beekay Niryat Limited** (hereinafter referred to as the "Holding Company"), and its associates (the holding company and its associates referred to as "the group"), which comprise the Consolidated Balance Sheet as at 31st March 2022, and the Consolidated Statement of Profit and Loss (including other comprehensive income), Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion section and other matters section of our report, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind-AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March 2022, and its consolidated loss (including consolidated other comprehensive income), consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Qualified Opinion

1. *Non-Current Investments includes:*
Shares held, quoted and in physical form having market worth Rs. 0.41 lacs are not held in the name of the company. This is in contravention to section 187 of the Companies Act, 2013.
2. The interest payable under MSMED Act, 2006 and other disclosures of trade payable to micro enterprises and small enterprises has not been ascertained and not provided for by associate Company M/s Agribiotech Industries Limited. (Refer Note No. 18)

Had the impact of above qualifications in para (ii) for which impact could not be determined, been considered, consolidated

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Key Audit Matters

Key Audit Matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Except for the matters described in the *Basis for Qualified Opinion* section and *other matters* section, we have determined that there are no key audit matters to be communicated in our report.

Information Other than the Standalone Financial Statements and Auditor's report thereon

The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's annual report, but does not include the consolidated financial statements and our auditors' report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the for the matters stated in Section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance (including consolidated other comprehensive income), consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective management and Board of Directors of the companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Companies under the group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities or business activities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the Consolidated Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- (a) We did not audit the financial statements of associate namely Agribiotech Industries Limited whose financial statements have been prepared as per Ind AS and two associates whose financial statements have been prepared under previous GAAP and includes the Group's share of net profit of Rs. 114.78 Lakhs for the year ended March 31, 2022, as considered in the consolidated Ind AS financial statements. These financial statements have been audited by other auditors whose report has been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these associates, and our report in terms of sub section (3) of section 143 of the Act, in so far as it relates to the aforesaid associates, is based solely on the report of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other and Regulatory Requirements below, is not modified in respect of above matters with respect to our reliance on the work done and the reports of other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.

Except for the effects of the matters described in the basis for qualified opinion paragraph and other matters paragraph above, in our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e. On the basis of the written representations received from the directors as on March 31, 2022, taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its associate companies incorporated in India, none of the directors of the Group companies is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164(2) of the Act.
- f. The qualification relating to the maintenance of account and other matters connected there with are as stated in the 'Basis for Qualified Opinion' paragraph.
- g. With respect to the adequacy of the internal financial controls with reference to financial statements of the Group and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses a qualified opinion on the adequacy and operating effectiveness of the internal financial controls with reference to financial reporting, for the reasons stated therein.
- h. With respect to the matter to be included in the Auditors' Report under section 197(16):
In our opinion and according to the information and explanations given to us, the remuneration paid by the Holding Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.
- i. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact of pending litigations as at 31st March 2022 on the consolidated financial position of the Group- Refer Note 28 to the consolidated financial statements;
 - ii. The Group did not have any long term contracts including derivative, contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the holding company and its associates.

Annexure - A to the Independent Auditor's Report on Consolidated Financial Statements of Beekay Niryat Limited**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31 March 2022, we have audited the internal financial controls over financial reporting of Beekay Niryat Limited (herein after referred to as 'the Holding Company') and its Associate companies which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its associate companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company and its associates incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the internal financial controls system over financial reporting of the Company and its associates incorporated in India.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Basis of Qualified Opinion

According to the information and explanation given to us and based on our audit, the following material weaknesses have been identified as at March 31, 2022:

1. The holding company's internal financial control were not operating effectively in respect of assessing realizable amount from a loanee which could potentially result in company not recognising possible loss on this account.
2. The holding company and one associate Company's internal financial control were not operating effectively in respect of assessing interest payable under MSMED Act, 2006 and other disclosures of trade payable to micro enterprises and small enterprises which could potentially result in company not recognising possible interest on this account.

Material weakness is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Company's annual financial statements will not be prevented or detected on a timely basis.

Qualified Opinion

In our opinion, except for the possible effects of the material weaknesses described above and on the achievement of the objectives of control criteria, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

We have considered the material weaknesses identified and reported above in determining the nature, timing and extent of audit tests applied in our audit of the consolidated financial statements of the Company for the year ended March 31, 2022 and these material weaknesses does affect our opinion on the Consolidated financial statements of the Company. (Refer the basis for qualified opinion in our main audit report)

Other Matters

Our aforesaid report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far it relates to one associate company, which is a company incorporated in India, is based on corresponding reports of auditors of such company incorporated in India and two associates, which are companies covered under the Act, whose Group's share of net loss of Rs. 114.78 lakhs, the financial statements of which have been prepared as per previous GAAP and report under section 143(3)(i) have not been prepared by the respective auditors of these companies, have not been considered. As per explanations given to us by the management, financial information of these two associates are not material to the Group.

The Company corporate identification No. is L67120RJ1975PLC045573. The shares of the company are listed on BSE Ltd. .</p> <p>The Consolidated Financial Statements comprises the company and its associates (collectively "the Group" and individually "Group companies").</p> <p>Group is primarily engaged in the business of export of lather, jute, handicraft and trading of commodities and Extra Neutral Alcohol, Rectified Spirit, Country Liquor & Indian made Foreign Liquor.</p>								
Note 2	<p>SIGNIFICANT ACCOUNTING POLICIES</p>								
2.1	<p>Basis of Preparation :</p> <p>The group has prepared its consolidated financial statements in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the companies Act, 2013 (the Act) read with Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.</p>								
2.1.1	<p>Basis of Consolidation:</p> <p>The Consolidated financial statements comprise the financial statements of the Company and its associates as at March 31, 2022.</p> <p>Details of Associates considered in consolidation:</p> <table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th style="text-align: center;">S.no</th> <th style="text-align: center;">Associate</th> <th style="text-align: center;">Country of Incorporation</th> <th style="text-align: center;">% of shareholding as at 31.03.2022</th> </tr> </thead> <tbody> <tr> <td style="text-align: center;">1</td> <td>Agribiotech Industries Ltd</td> <td style="text-align: center;">India</td> <td style="text-align: center;">34.45%</td> </tr> </tbody> </table> <p>Associates</p> <p>An associate is an entity over which the Group has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee, but is not control or joint control over those policies.</p> <p>The Group's investments in its associates are accounted for using the equity method. Under the equity method, the investment in an associate is initially recognised at cost. The carrying amount of the investment is adjusted to recognise changes in the Group's share of net assets of the associate since the acquisition date. Goodwill relating to the associate is included in the carrying amount of the investment and is not tested for impairment individually.</p> <p>The statement of profit and loss reflects the Group's share of the results of operations of the associate. Any change in OCI of those investees is presented as part of the Group's OCI. In addition, when there has been a change recognised directly in the equity of the associate, the Group recognises its share of any changes, when applicable, in the statement of changes in equity. Unrealised gains and losses resulting from transactions between the Group and the associate is eliminated to the extent of the interest in the associate.</p> <p>The aggregate of the Group's share of profit or loss of an associate is shown on the face of the statement of profit and loss.</p>	S.no	Associate	Country of Incorporation	% of shareholding as at 31.03.2022	1	Agribiotech Industries Ltd	India	34.45%
S.no	Associate	Country of Incorporation	% of shareholding as at 31.03.2022						
1	Agribiotech Industries Ltd	India	34.45%						

2.2	<p>Functional and Presentation Currency</p> <p>The Consolidated financial statements are prepared in Indian Rupees ("INR") which is the Group's presentation currency and the functional currency for all its operations. All financial information presented in INR has been rounded to the nearest lakhs with two decimal places unless stated otherwise.</p>
2.3	<p>Use of Estimates and critical accounting judgments</p> <p>The preparation of the consolidated financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the consolidated financial statements and reported amounts of revenues and expenses during the period. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to the accounting estimates are recognised in the period in which the estimate is revised and future periods affected.</p> <p>Critical estimates and judgments</p> <p>i. Property , plant and equipment Useful lives of tangible assets and intangible assets are based on the life prescribed in Schedule II of the Companies Act, 2013. The Group reviews its estimate of the useful lives of tangible/intangible assets at each reporting date, based on the expected utility of the assets.</p> <p>ii. Recognition of deferred tax assets The extent to which deferred tax assets can be recognised is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilised.</p> <p>iii. Recognition and measurement of defined benefit obligations The obligation arising from defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumptions include discount rate, trends in salary escalation and vested future benefits and life expectancy. The discount rate is determined by reference to market yields at the end of the reporting period on government bonds. The period to maturity of the underlying bonds correspond to the probable maturity of the post-employment benefit obligations.</p> <p>iv. Provisions and contingent liabilities The Group exercises judgment in measuring and recognising provisions and the exposures to contingent liabilities related to pending litigation or other outstanding claims subject to negotiated settlement, mediation, arbitration or government regulation, as well as other contingent liabilities. Judgment is necessary in assessing the likelihood that a pending claim will succeed, or a liability will arise, and to quantify the possible range of the financial settlement. Because of the inherent uncertainty in this evaluation process, actual losses may be different from the originally estimated provision.</p> <p>v. Fair Value Measurements Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.</p>
2.4	<p>Classification of Assets and Liabilities as Current and Non Current</p> <p>All Assets and Liabilities have been classified as current or non-current as per the Group's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of product & activities of the Group and their realization in cash and cash equivalent, the Group has determined its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.</p> <p>Deferred tax assets and liabilities are classified as non-current assets and liabilities.</p>

2.5	<p>Revenue Recognition The Group has adopted Ind AS 115, Revenue from Contract with Customers with effect from 1st April 2018.</p> <p>Revenue is measured at fair value of the consideration received or receivable, net of returns and rebates. The Group recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity.</p> <p>Value added tax (VAT)/ Goods and Service tax (GST) is not received by the Group on its own account. Rather, it is tax collected on value added to the commodity by the seller on behalf of the government. Accordingly, it is excluded from revenue.</p> <p>Sale of goods/ Other Operating Income Revenue from sale of products is recognised when the significant risks and rewards in respect of ownership of products are transferred by the Group as well as the controls on the goods have been transferred to the customer. The performance obligation in case of sale of product is satisfied at a point in time i.e., when the material is shipped to the customer or on delivery to the customer, as may be specified in the contract.</p> <p>Interest income Interest income is recognised on time proportionate basis taking into account the amount invested and the rate of interest. For all interest bearing financial assets measured at amortised cost, interest income is recorded using the effective interest rate (EIR).</p> <p>Rendering of Services Revenue from rendering of services is recognised when the performance of agreed contractual task has been completed.</p> <p>Dividend income Dividend income from investments is recognised when the shareholder's right to receive payment has been established.</p> <p>Rental Income Rental income is recognised on accrual basis in accordance with agreement.</p> <p>Value Added Tax refund is recognized when it becomes refundable.</p>
2.6	<p>Inventories:</p> <p>Beekay Niryat Ltd (Parent) Inventory is nil.</p> <p>Agribiotech Industries Limited (Associate) Raw Material, Stores & Spares including packing material, Work In Progress, and Finished Goods are valued at the lower of cost and net realizable value. Cost is determined on FIFO basis.</p> <p>In respect of Raw materials, Stores & Spares including Packing material: Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. In respect of Finished goods and work in progress: Cost includes cost of materials, labour and those overheads that have been incurred in bringing the inventories to their present location and condition.</p> <p>Net realisable value is the price at which the inventories can be realised in the normal course of business after allowing for the cost of conversion from their existing state to a finished condition and for the cost of marketing, selling and distribution.</p>

2.7	<p>Property, Plant & Equipment</p> <p>Property, plant and equipment are initially recognized at cost including the cost directly attributable for bringing the asset to the location and conditions necessary for it to be capable of operating in the manner intended by the management. After the initial recognition the property, plant and equipment are carried at cost less accumulated depreciation and impairment losses, if any. Any gain or loss on disposal of an item of property, plant and equipment is recognized in the statement of profit and loss.</p> <p>Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the group.</p> <p>Capital work-in-progress includes cost of property, plant and equipment under installation / under development as at the balance sheet date.</p> <p>Depreciation :</p> <p>Beekay Niryat Ltd (Parent)</p> <p>Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation on PPE has been provided, pro rata for the period of use, on straight line method over the useful lives of the property, plant & equipment as prescribed in Schedule II of the Companies Act, 2013.</p> <p>Agribiotech Industries Limited (Associate)</p> <p>Depreciation is provided, pro rata for the period of use, on Written down value method over the estimated useful lives of the property, plant & equipment except leasehold land as prescribed in Schedule II of the Companies Act, 2013.</p> <p>The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.</p>
2.8	<p>Leases</p> <p>The Group has applied Ind AS 116 using the modified retrospective approach and therefore the comparative information has not been restated and continues to be reported under Ind AS 17.</p> <p><u>As a lessee</u></p> <p>The Group recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.</p> <p>The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. In addition, the right-of-use asset is periodically reduced by impairment losses, if any.</p> <p>The lease liability, if any, is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, Group's incremental borrowing rate.</p> <p>The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Group's estimate of the amount expected to be payable under a residual value guarantee, or if Group changes its assessment of whether it will exercise a purchase, extension or termination option.</p>

	<p><u>Short-term leases and leases of low-value assets</u></p> <p>The Group has elected not to recognise right-of-use assets and lease liabilities for short term leases of real estate properties that have a lease term of 12 months. The Group recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.</p> <p><u>As a lessor</u></p> <p>Lease income from operating leases where the Group is a lessor is recognised in income on a straight-line basis over the lease term. The respective leased assets are included in the balance sheet based on their nature. However, there are no assets which are given on lease as a lessor.</p>
2.9	<p>Impairment of Non Financial Assets</p> <p>The Property, Plant and Equipment and intangible assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use.</p> <p>For the purposes of assessing impairment, the assets are grouped at the lowest levels for which there are separately identifiable cash flows which are largely independent of the cash inflows from other assets or groups of assets (cash generating units). Non-financial assets other than goodwill that suffered an impairment loss are reviewed for possible reversal of impairment at the end of each reporting period. An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.</p>
2.10	<p>Financial Instruments</p> <p>A Financial Instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.</p>
2.10.1	<p>Financial Assets</p> <p>a. Classification</p> <p>The Group classifies its financial assets in the following measurement categories:</p> <ul style="list-style-type: none"> • Those to be measured subsequently at fair value (either through other comprehensive, or through Statement of profit and loss), and • Those measured at amortised cost. <p>The classification depends on the Group's business model for managing the financial assets and the contractual terms of the cash flows.</p> <p>b. Initial Recognition and Measurement</p> <p>All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place [regular way trades] are recognised on the settlement date, i.e., the date that the Group settles to purchase or sell the asset.</p> <p>c. Subsequent Measurement:</p> <p>For purposes of subsequent measurement, financial assets are classified in following categories:</p>

i) Debt Instrument at amortised cost: 'Debt instrument' is measured at the amortised cost if both the following conditions are met: (a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and (b) Contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding. After initial measurement, financial assets are subsequently measured at amortised cost using the EIR method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss.

ii) Debt Instrument at FVTOCI: Debt instruments are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Debt instruments included within the FVTOCI category are measured at fair value with all changes recognized in the Other Comprehensive Income.

iii) Debt Instrument at FVTPL: FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

iv) Equity Instruments measured at FVTOCI or FVTPL: All equity investments in scope of Ind-AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Group decides to classify the same either as at FVTOCI or FVTPL. The Group makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable. If the Group decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the Other Comprehensive Income (OCI). There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Group may transfer the cumulative gain or loss within equity. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and loss.

v) Equity instruments measured at Cost: Equity investment in associates is accounted at Equity Method.

d. Derecognition:

- A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised (i.e. removed from the Group's balance sheet) when:
 - i. The rights to receive cash flows from the asset have expired, or
 - ii. The Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Group has transferred substantially all the risks and rewards of the asset, or (b) the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

The Group derecognizes a financial asset only when the contractual rights to the cash flows from the asset expires or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset. Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Group could be required to repay.

- When the Group has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of

	<p>ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Group continues to recognise the transferred asset to the extent of the Group's continuing involvement. In that case, the Group also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.</p> <ul style="list-style-type: none"> Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Group could be required to repay. <p>e) Impairment of Financial Assets: In accordance with Ind-AS 109, the Group applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:</p> <ol style="list-style-type: none"> Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance. Trade receivables - The application of simplified approach does not require the Group to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.
2.10.2	<p>Financial Liabilities and Equity instruments</p> <p>(i) Classification</p> <p>Debt and equity instruments issued by the Group are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.</p> <p>Equity Instruments</p> <p>An equity instrument is any contract that evidences a residual interest in the assets of the Group after deducting all of its liabilities.</p> <p>Financial Liabilities</p> <p>The Group classifies its financial liabilities in the following measurement categories:</p> <ul style="list-style-type: none"> those to be measured subsequently at fair value through profit or loss, and those measured at amortised cost. <p>Financial liabilities are classified as at FVTPL when the financial liability is held for trading or it is designated as at FVTPL, other financial liabilities are measured at amortised cost at the end of subsequent accounting periods.</p> <p>(ii) Measurement</p> <p>Equity Instruments</p> <p>Equity instruments issued by the Group are recognised at the proceeds received. Transaction cost of equity transactions shall be accounted for as a deduction from equity.</p> <p>Financial Liabilities</p> <p>At initial recognition, the Group measures the financial liability at its fair value net of, in the case of the financial liability not at fair value through profit or loss, transaction costs that are directly attributable to the issue of the financial liability. Transaction costs of financial liability carried at fair value through profit or loss are expensed in profit or loss. Subsequent measurement of financial liabilities depends on the classification of financial liabilities.</p> <p>There are two measurement categories into which the Group classifies its financial liabilities:</p> <ul style="list-style-type: none"> Fair value through profit or loss (FVTPL): Financial liabilities are classified as at FVTPL when the financial liability is held for trading or it is designated as at FVTPL. Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on re-measurement recognized in profit or loss.

	<ul style="list-style-type: none"> • Amortised cost: Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalized as part of costs of an asset is included in the 'Finance Costs' line item. <p>(iii) De-recognition of financial liabilities: A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of profit and loss.</p>
2.10.3	<p>Offsetting of financial instruments Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.</p>
2.11	<p>Foreign currency transactions and translation Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit and loss. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item</p>
2.12	<p>Employee Benefits</p> <p>Short Term Employee Benefits Short term employee benefits consisting of wages, salaries, social securities contributions, ex-gratia and accrued leave, are benefits payable & recognised in twelve months. Short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised undiscounted during the year as the related service are rendered by the employee.</p> <p>Defined contribution plans Defined contribution plans Payments to defined contribution plans are charged as an expense as they fall due. Payments made to state managed retirement benefit schemes are dealt with as payments to defined contribution schemes where the Group's obligations under the schemes are equivalent to those arising in a defined contribution retirement benefit scheme.</p> <p>Defined benefit plans For defined benefit retirement schemes the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuation being carried out at each balance sheet date. Re-measurement gains and losses of the net defined benefit liability/(asset) are recognised immediately in other comprehensive income. The service cost and net interest on the net defined benefit liability/(asset) is treated as a net expense within employment costs. Past service cost is recognised as an expense when the plan amendment or curtailment occurs or when any related restructuring costs or termination benefits</p>

	<p>are recognised, whichever is earlier. The retirement benefit obligation recognised in the balance sheet represents the present value of the defined-benefit obligation as reduced by the fair value plan assets. Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised based on actuarial valuation at the present value of the obligation as on the reporting date.</p> <p>As required by Ind AS 19 'Employee Benefits', the discount rate used to arrive at the present value of the defined benefits, obligations is based on the Indian government security yields prevailing as at the Balance Sheet date that have maturity date equivalent to the tenure of the obligation.</p>
2.13	<p>Income Tax</p> <p>Tax expense comprises current and deferred tax. It is recognised in Statement of profit and loss except to the extent it relates to the items recognised directly in equity or in OCI.</p> <p>Current tax</p> <p>Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.</p> <p>Current tax assets and liabilities are offset only if:</p> <p>(a) There is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income tax levied by the same taxation authority.</p> <p>(b) There is intention either to settle the asset and liability on a net basis.</p> <p>Deferred Tax</p> <p>Deferred tax is the tax expected to be payable or recoverable on differences between the carrying values of assets and liabilities in the consolidated financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. In contrast, deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised.</p> <p>The carrying value of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.</p> <p>Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax items are recognised in correlation to the underlying transaction either in statement of profit and loss, other comprehensive income or directly in equity as applicable. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current income tax liabilities and when the deferred tax balances relate to the same taxation authority.</p>
2.14	<p>Provision, Contingent Liabilities & Contingent Assets</p> <p>A. Provisions are recognised when the Group has a present obligation as result of past events and it is probable that the outflow of resources will be required to settle the obligation and in respect of which reliable estimates can be made. A disclosure for contingent liability is made when there is a possible obligation that may, but probably will not require an outflow of resources. When there is a possible</p>

	<p>obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision/ disclosure is made. Provisions and contingencies are reviewed at each balance sheet date and adjusted to reflect the correct management estimates. Contingent assets are neither recognised nor disclosed in consolidated financial statements. However, when the realization of income is virtually certain, then the related asset is not a contingent assets and its recognition is appropriate.</p> <p>B. If the effect of the time value of money is material, provisions are discounted using a current pre tax rate that reflects, when appropriate, the risks specific to the liability.</p>
2.15	<p>Segment Reporting</p> <p>Operating segments are reported in a manner consistent with the internal reporting provided to the chief decision maker being MD of the Group. The MD assesses the financial performance and the position of the Group as a whole, and strategic decisions.</p> <p>The accounting policies adopted for Segment reporting are in line with the accounting policies of the Group with the following additional policies:</p> <ul style="list-style-type: none"> • Inter-segment revenue is accounted on the basis of transactions which are primarily determined based on market/fair value factors. • Revenue and expenses have been identified to segments on the basis of their relationship to the operating activities of the Segment. Revenue and expenses, which relate to the enterprise as a whole and are not allocable to segments on a reasonable basis have been included under “Un-allocated Corporate expenses”.
2.16	<p>Earnings Per Share</p> <p>Basic earnings per Share</p> <p>Basic earnings per share is computed by dividing the profit/(loss) after tax by the weighted average number of equity shares outstanding during the year.</p> <p>Diluted earnings per share</p> <p>Diluted earnings per share is computed by dividing the profit/(loss) after tax as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.</p>
2.17	<p>Cash Flow Statement</p> <p>Cash flows are reported using the indirect method, as set out in Ind AS 7 'Statement of Cash Flows', whereby profit/(loss) before tax for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Group are segregated.</p>
2.18	<p>Cash and Cash Equivalents</p> <p>For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, cheque on hand, balance with bank on current account and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.</p>
2.19	<p>Government Grants</p> <p>Government grants are not recognised until there is reasonable assurance that the Company will comply with the conditions attaching to them and that the grant will be received.</p> <p>Government grants relating to income/expense are determined and recognised in the statement of profit</p>

	<p>and loss over the period necessary to match them with the cost that they are intended to compensate and presented within other income.</p> <p>Government grants relating to the property, plant and equipment are credited to deferred revenue income on account of capital subsidy and recognised in profit and loss on a systematic basis over the period in which entity recognises as expenses the related costs for which the grants are intended to compensate.</p>
2.20	<p>Borrowing Costs</p> <p>General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.</p> <p>Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.</p> <p>The borrowing costs other than attributable to qualifying assets are recognised in the profit or loss in the period in which they incurred.</p>
2.21	<p>Fair Value Measurement</p> <p>The Group measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.</p> <p>All assets and liabilities for which fair value is measured or disclosed in the consolidated financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:</p> <p>Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities</p> <p>Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.</p> <p>Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.</p>
